

world

**We must get health
services to all
communities**

**it's time to build
a fairer healthier
world for everyone
everywhere**

world

**we must get health
services to all
communities**

**it's time to build
a fairer healthier
world**

world

**We must get health
services to all
communities**

**it's time to build
a fairer healthier
world for ever one
ever here**
